Vote Saturday On New School, Board Members

When Mokena grade school district voters go to the polls this Saturday, April 12, they will ballot on a \$250,000 bond issue as well as elect two members to the board of education.

The school board, stressing the need of expanding present facilities, is asking voter approval to sell bonds to provide for the following:

(1) To acquire a new school site adjoining Willowcrest School.

(2) To construct the first phase of a new elementary school.

(3) To remodel and repair Carpenter Street School.

There is a critical need for additional parking facilities at Willowcrest, a board spokesman said, as well as for an additional street exit from the school. Site space also is needed to begin construction on much needed classrooms, the spokesman went on and declared the suggested site -- to the east and north of the present school property -- is by far the best buy considered because of its central location, and accessibility to water and sewer connections.

There are programs of cooperation between St. Mary School and the public school now under consider-

ation, and more may be planned. The proposed site is between the public and parochial schools and is a natural location for future planning of cooperation for the education of all children residing in School District 159, it was pointed out.

The board spokesman added that the proposed elementary building will be built in phases, as needed, similar to the way Willowcrest was built.

The first phase will be a two-story structure with eight classrooms, but not all of the rooms will be finished -- just the exterior shell.

It is expected that four, possibly six rooms, will be completed. The others will be finished as needed and the master plan provides that ad-

ditions can be made later with a minimum of structural changes.

Carpenter Street School needs repairing. The Life Safety Building Code law and subsequent tax levy will provide for some remodeling, but not entirely. The playground, restrooms, and gymnasium floor need extensive repairs, and the 40-year coal boiler needs to be replaced.

Three candidates are running for two positions on the Mokena school board. Willard Barenz and Edwin Yunker are seeking reelection and the other candidate is James Quinn.

Carpenter Street School will serve as the polling place and the polls will be open from 12 noon to 7 p.m. Voters must be registered.

St. Mary Board Backs Dist. 159 Bond Issue

The Lay Board of Education from St. Mary's School were guests at the public school board of education meeting on March 12.

A discussion was held during the meeting concerning the areas of cooperation that are currently in force between the two schools--speech correction and special education, Title II federal funds and library services, band, bus transportation, and gymnasium for evening athletic events.

The public school board explained its plans for purchase of the site adjoining both the Willowcrest School and also adjoining the St. Mary's school property, and the construction of a new school. The advantages of the site for both schools were discussed. It was agreed that should any dual enrollment program be practiced in the future, the proximity of the schools in relationship to the site is most desirable.

St. Mary's pupils could walk to the public school for speech therapy, band, or for any other class such as physical education or science where a dual enrollment plan had been worked out by both boards.

As the meeting ended, it was agreed that a great deal of dialogue would be needed

in the future and meetings between the two groups should be held. Both groups are dedicated to provide the best education possible for the boys and girls of Mokena.

At the next meeting of St. Mary's School Board, it was decided to support the upcoming school referendum. Dr. Joseph P. Petnuch, president of the St. Mary's school board sent the following letter to Norval K. Robinson, president of the Mokena school board.

"On behalf of St. Mary's School Board, Mokena, I wish to inform you that we wholeheartedly support that the Board of Education of School District 159, Will County, Illinois, be authorized to purchase as an additional school site for said District property adjoining the present Willowcrest School Site, build and equip a new school building on said additional school site and make alterations and repairs to the Carpenter Street School, and to issue bonds in the amount of \$250,000 to pay the cost thereof.

"We firmly believe that education of all children is the obligation of all citizens, therefore we extend our support on your behalf in the forthcoming Special School Election, April 13, 1968."

Tests For Pre-School Youngsters

The Lions Clubs of Frankfort and Mokena and the PTA groups of those communities are sponsoring pre-school vision and hearing programs for children of 3½ to 6 years of age. New Lenox also will have such a program but the dates have not been set for that. This program is arranged thru the Will County Health department.

At Frankfort and Mokena registration date is fixed for April 18 between the hours of 9 a.m. and 4:30 p.m. Registration at Frankfort will be in the Frankfort Grade School Library; at Mokena it will be Carpenter Street School.

Parents who wish to have their children receive screening tests must register their names next Thursday.

The actual vision and hearing tests will be held next month -- May 3 at Frankfort and May 1 and 2 at Mokena. The tests will be held in the same schools that will serve as registration centers.

Trained technicians provided by the county health department will administer the tests.

Because of the nature of the vision test and the age of the child, a set of training cards and instructions for their use will be given to parents when they register. These cards will be used to play a game that will teach the child how to identify the symbols used in the test.

Purpose of the test is to discover visual problems at an early age when corrections can be made more easily, it was explained. The vision screening program is geared to detect near-sightedness, amblyopia and cross eye.

Amblyopia is a condition in which a child does not see equally well with both eyes. The condition may result in the weaker eye ceasing to develop because the brain does not want to accept a double image. When this happens the strong eye takes over and the child may become blind in the weaker eye. If the condition is not discovered and treated before the child is 6 years old, it was said, chances for recovery in the weak eye are poor.

You can NOW call in Classified Ads Saturday mornings from 8:30 a.m. to 12:30 p.m. and on Monday evenings from 5 p.m. to 9:00 p.m. CALL (800) 942-1887 TOLL FREE. The call will automatically be billed to Graphic Newspapers.

Cross eye is a condition in which an eye does not focus on the object at which the individual is looking. Sometimes the eye is crossed so slightly that it can only be detected thru a screening test or an eye examination. The defect usually can be corrected thru early detection and treatment.

To assure accuracy, those children who do not pass the first test will be given another screening test a few days later.

A technician uses a machine called an audiometer to measure the child's hearing. It's an easy test to give, takes less than two minutes. The child listens for several tones of different pitch thru a pair of ear-

phones. The tones range from low to high pitch and are sounded at the same level -- just a little louder than is needed for the normal ear. The child signals as soon as he hears each tone.

If the youngster hears all the tones his hearing is normal, it was explained. If he misses some of the tones, however, there is a good possibility that he has a hearing loss.

If he fails the first test he is given another. Those who fail the second time around get a third test. This is called a threshold test and is much more precise. Hearing loss is only confirmed after these tests.

Suburban Towns Are Under Curfew

Curfews were imposed Monday night in New Lenox, Frankfort and Mokena and on Tuesday a similar edict was in force at Orland Park.

Village authorities ordered the curfew as a precautionary measure in the wake of the wave of rioting and pillaging that broke out in Chicago and Joliet areas where the population is largely Negro.

At New Lenox, Frankfort and Mokena business places were closed at 8 o'clock and

persons of all ages barred from the streets between that hour and 5 a.m., unless able to show they were enroute to or from work.

At Orland Park the curfew also begins at 8 o'clock and applies to all persons 21 years of age or under and remains in effect until 6 a.m.

The curfews will remain effective in these suburban towns until the present unrest in neighboring urban areas has subsided.

Seek Entries For N. Lenox Art Fair

Plans are now complete for the Spring Art Fair to be held at Oakview School, New Lenox, April 27 and 28. The competition is open to the public, and there are divisions for adults and children.

Entry fees for the two-day show are \$3 for adults and \$2 for grade and high school students.

Entries of oil paintings, pastels, water colors, graphics, prints, drawings, sculpture, and crafts are being sought.

Entry blanks may be obtained from Brookwood Galleries, New Lenox, Ill. 60451; Hutch's Paint Store, New Lenox, Ill. 60451; Specht's Paint Store, 15 E. Jefferson, Joliet, Ill. 60431; and The Cape Cod Beauty Salon, Route 30, Joliet, Ill. 60432. Contestants are requested to enclose a stamped self addressed envelope when writing for entry blanks. Mrs. Thomas Portrey, 125 Forrest St., New Lenox, is general chairman of the show which is sponsored by the New Lenox Parent Teacher Organization.

Scholarships Go To 52 Sandburg Seniors

About one out of every seven Sandburg seniors has been awarded an Illinois State Scholarship as 52 of this spring's graduates received notification recently.

The ratio is very high since this year there are 345 students in the graduating class as compared to last year's senior class which received 42 scholarships for 490 students.

The winners receive a

monetary or honorary award. The top monetary scholarship is \$1,100. An honorary award provides an opportunity for financial assistance in subsequent undergraduate years if the need arises.

If the student choses an out-of-state school or an unapproved school, the state gives no financial aid.

Those awarded scholarships are:

Janet Aeschliman, Palos Heights; Robert Atkinson, Palos Park; Robert Bain, Orland Park; Janet Beasley, Tinley Park; Tracey Bernhardt, Kenneth Bowen, Orland Park; David Clyne and Robert Clyne, Palos Heights; Therese Colburn and Timothy Colburn, Palos Park; Jay Dauphinais and Derby Davidson, Palos Heights; Robert DeNovo and Shirley Dwyer, Palos Park; Valerie Geister, Palos Heights; Jill Gifford, Tinley Park; David Gill, Palos Park; Joy Grahovec and Jan Groenewold, Orland Park; James Hansen, Palos Park; Karl Hennecke and Miles Hutson, Orland Park; Earl Imhoff, Palos Heights; Susan Jachimiec, Palos Park; James Korby, Palos Heights; Katherine Kostal, Palos Park; Richard Kristin, Orland Park; Leslie Luketin, Palos Park; Linnea Lysen, Orland Park; John Meenahan, Palos Park; Gretchen Merwin, Orland Park; Gary Merz, Palos Park; Dean Mihalovits, Tinley Park; Gail Musil, Palos Park; Charles Newman, Orland Park; Ann Paschall, Palos Heights; Cynthia Pavlak, Tinley Park; Janice Pichman, Palos Park; Linda Polito, Palos Park; Mark Randall, Orland Park; William Reeves and James Rogers, Palos Park; Patricia Skriba, Palos Heights; Beverly Swanson, Tinley Park; Brian Taber, Palos Heights; Judith Thompson, Palos Park; Donald Vaughn, Tinley Park; Christine West, Palos Park; Michael Wise, Eunice Wolfrum and Mary Comerford, Orland Park, and Lambert Bere, Palos Park.

JERRY F. WHITELEY, of 937 Herr Drive, New Lenox, associated with Behnke Photographers, Frankfort, for the past year, has been promoted to assistant photographer, and heads the color laboratories for the firm.

He is formerly of Wilton Junction, Ia.; and was education in their elementary and high schools. He attended Iowa Wesleyan College. He served with the U. S. Army. Mr. Whiteley is married to the former Marie Catron of Lewistown, Mo., who is presently employed at the Lincoln - Way High School, as a physical education teacher.

Consecrate Auxiliary Bishop R.J. Vonesh

"I am number three. God is number one and you (the public) are number two." Quoting a television personality's philosophy, Bishop Ernest J. Primeau of Manchester, N.H., outlined the life of a bishop.

Bishop Primeau was homilist at the April 3, consecration of the Most Reverend Raymond J. Vonesh as auxiliary bishop of Joliet-in-Illinois at the Cathedral of St. Raymond Nonnatus in Joliet. His Eminence, John Cardinal Cody, Archbishop of Chicago was the consecrating prelate. Co-consecrators were Bishop Romeo R. Blanchette of Joliet and Bishop Cletus O'Donnell of Madison, Wis.

"In the life of the bishop God must truly be number one," Bishop Primeau said. "The bishop by his office is in a very special sense the extension of Christ in the world. The truth, which we derive from Christ, cannot spread among men in an uncontrolled and irresponsible way. A social channel, an authorized teaching authority is required. And this is the voice of the bishop, which must preserve the univocal divine significance and the salvific value of the Christian truth. If this be so -- that the bishop is above all the minister of God, his ambassador to the world, then truly God must assume the first place in the life of a bishop."

Speaking to the more than 1,500, including representatives of other faiths, Bishop Primeau compared the attacks directed against the hierarchical structure of the Church to the attacks directed against the person of Christ: "What made Him cry in the agony of the garden was the torment of His soul -- the false judgments, the enmities, the selfishness, the incredulity, the ingratitude, the calumny, the betrayal, the denial, the mockery and the blasphemy to which he was subjected by friend and foe alike. We are not greater than the Master and what He suffered we shall suffer too in lesser degree. But in the full scale abandonment of our wills to the will of God is our assurance of liberty and freedom and peace in our actions with all whom we serve."

"In the life of the bishop his people must have the second place. In order to serve God well we must be in communication with Him, that we may know His will," Bishop Primeau said.

He went on to urge the employment of all modern means of communication by today's bishops. "Not too many years ago", Bishop Primeau said, "the captains of seagoing vessels directed their ships from the bridge... but the modern captain runs his ship from a central

AUXILIARY BISHOP VONESH
(Matthews photo)

information office. The modern captain, surrounded by fog and darkness, cannot depend upon his own ears, his own voice -- no matter how capable he may be."

Referring to the twentieth century bishop, Bishop Primeau said: "Today they must all depend upon reliable information and in many cases that information comes from the whole community - religious and civil. It is the community - the priests, the religious, our own laity and the people at large - which must be the antenna which sweeps the horizon of this world and brings to the episcopal scope the information which must be translated into action by those who make the decisions. Constant communication with all reliable and knowledgeable members of the community, clerical or lay, is imperative in these days of instantaneous action."

"Number three is this triumvirate," Bishop Primeau said, "is the bishop him-

self." Turning to the personal dimension of the bishop's life, Bishop Primeau said: "Sclerosis can occur in the spiritual life. The ever increasing demands made upon the bishop leave him precious little time for the intellectual and spiritual pursuits he must have if he is to give intelligent and effective leadership to those whom he serves. A bishop must adamantly free himself from the constant demands of administration long enough to replenish his intellectual and spiritual life -- for without this power he will be a dull and ineffective instrument of God's plan."

The Joliet diocese, founded in 1949, is the fastest growing diocese in the Illinois province. Today, it has a Catholic population of 290,000 in its seven counties. Bishop Martin D. McNamara, the first bishop was succeeded after his death in 1966 by his auxiliary Bishop Romeo R. Blanchette.

Contest Marks Dist. 230 Election

The only contest in the Orland Park school elections Saturday is on the Sandburg-Stagg High School board, Dist. 230.

Two places are to be filled and there are three candidates, John Daliege, 7524 110th Pl., Worth, and Harwood Stellwagen, Rt. 2, Tinley Park, and Ernest Robinson, 8321 W. 133d St., Orland Park.

Daliege and Stellwagen, running for re-election, were selected by the high school caucus as candidates. Robinson is running as an independent.

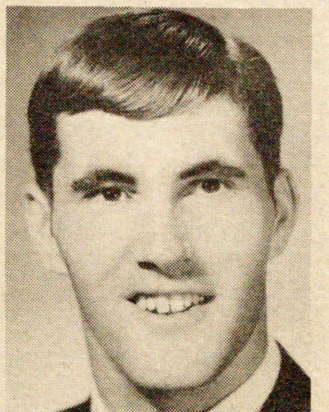

The Orland Grade school board has no contests. Four candidates are to be elected to that body and all four were selected by the grade school caucus.

Running for the grade school board are Earl Fuller, 15023 Holiday Ct., John Murphy Jr., 14410 Ridge Av., Thomas Osborne Jr., 15214 Hiawatha Dr., and Edgar Harbison, 10215 Huntington Ct.

Fuller is running for an unexpired term of one year. The other three will fill re-

gular three-year terms.

The Orland Park School on 143d St. will be the polling place for the grade school election. Voting hours will be from 12 noon to 7 p.m. This school will also serve as one of the polling places in the high school election. Voters must be registered.

CALVIN RANDALL DAVIS, son of Mr. and Mrs. Randall Davis, Frankfort, has been appointed to the US Naval Academy at Annapolis, Md. He is a senior at Lincoln-Way High School, and class president. He will report to Annapolis, June 26.

Change Ordinances On Service Taxes

Area municipalities are changing back to their old ordinances covering the collection of sales tax on services.

Under the original law the maximum tax was 3.5 cents and was applied only on materials used in the service. Under a new law which became effective last year the tax was raised to five cents, with the municipalities and the townships getting their cut on the increase. The new tax was applicable to the labor bill for services as well as on the material.

The Illinois Supreme Court on March 28 held that the new law on service sales tax was unconstitutional. Service

firms stopped charging the tax April 1.

When the old ordinances -- re-enacted -- become effective the state will begin collecting the 3.5 cent tax on materials used in services with the villages and cities getting a share which may vary from half a cent to three-quarters.

The reason for the variance in the share of municipalities, it was explained by the state, is a legal matter. If a village repealed its former sales tax ordinances last summer and now reverts to its original ordinance, it will get only half a cent from services because there exists no statute which would empower it to add another fourth of a cent. But if the previous ordinance had called for three fourths of a cent tax as the municipality's share of the service tax and it was only amended its existing pre-July, 1967, Municipal Service Occupation Tax ordinance, such municipality will still have a three-fourths of one per cent tax rate on services.

The state has ordered service people to pay the tax on their labor, as well as on materials, for February and March. The state revenue department says this money will go into the protest fund and be held there until the courts figure out how, as to what extent refunds of the tax, if any, will be made.

16 Stagg Seniors Are Scholarship Winners

The first senior class of Stagg High School produced 16 winners of Illinois State Scholarships, Miss Pauline Butler, director of guidance, announced last week.

A total of 15,590 students qualified for the program, of which 6,894 have been offered monetary awards 7,156 have been granted honorary awards, and the remaining 1,540 students rejected award consideration by choosing unapproved colleges. All students receive certificates of merit in the fall in recognition of their achievement.

The Stagg seniors who qualified:

Judith Blaha, Hickory Hills, ranks first in the senior class after seven semesters. Health and science, pep, and the international club are school organizations in which Judy participates. She was elected to the National Honor Society (NHS) as a junior. She hopes to become a language teacher and wants to attend Wheaton College.

Charlyn Daciolas, Palos Hills, is a member of NHS, and pep, international, health and science, and sportlighter clubs. Saint Xavier's College has accepted Charlyn for the fall of 1968 and she intends to study nursing.

Pamela Greene, Hickory Hills, plans to attend Western Illinois University and wants to major in mathematics. She's been active in Girls Athletic Association (GAA), pep club, and international club.

Patrick Habel, Hickory Hills, has been accepted for admission at Illinois Institute of Technology. He'd like to become a naval architect. Pat's a Stagg letterman and is in NHS and key club.

James Hofrichter, Hickory Hills, wants to study civil engineering at Bradley University, Peoria. He's in NHS and is a member of Stagg's athletic teams.

Claudia Kapoun, Hickory Hills, joined NHS in her junior year. She's been active in health and science club, student council, yearbook staff, GAA, and the math club. Claudia will enter the school of nursing at Chicago Wesley Memorial Hospital.

Valerie Konie, Hickory Hills, will attend Illinois State University this fall to begin preparing herself as a secondary school teacher. Valerie has been active in the debate club, pep club, GAA, and drama club.

Constance Kress, Hickory Hills, is in NHS, language club, drama club, pep club, and GAA. DePauw University has accepted Connie for admission this fall. She won the honor of National Merit Commendation earlier this year.

Kenneth Lelugas, Palos Hills, will attend MacMurray College in the fall to prepare for a career as an engineer. He's a member of NHS, key club, international club, and the audio-visual staff.

Loretta Litke, Palos Hills, is a National Merit Finalist as well as an Illinois State Scholarship winner. She'd like to be a German teacher after attending MacMurray College. She's been in NHS, international club, yearbook staff, sportlighters, math club, and the health and science club.

Lorraine Mellins, Hickory Hills, is a member of NHS, GAA, and the health and science club. She'll attend Illinois Wesleyan University and hopes to become a registered nurse with a college degree.

Susan Miklos, Hickory Hills, will attend Loyola University in the fall. At Stagg she's been in NHS, the yearbook staff, pep club, and health and science club.

Christine Ohse, Hickory Hills, will attend Saint Xavier's College to begin preparation in the field of teaching. She's in NHS, GAA, and student council.

Michael Raimondi, Worth,

has participated in football and wrestling four years. He was a member of student council, active in NHS and letterman's club. He wants to major in biology.

Dan Stevens, Hickory Hills, will study business and computer programming at the University of Illinois Circle Campus. He's been in NHS, math club, health and science club, international club, speech contests, and the sportlighter's club. Dan has acted and directed in all-school plays at Stagg.

Mary Frances Watson, Worth, plans on attending Knox College to prepare for a career in secondary school teaching. She is in NHS, pep club, health and science, math club, and international club.

Rutledge School Has Board Contest

There are no contests for the two places to be filled on the Lincoln-Way High School board this Saturday, nor are there any contests for the grade school boards at New Lenox, Frankfort or Arbury Hills.

There is a contest, however, in the Ann Rutledge District No. 56-C, Lincoln Estates. Two places are to be filled and there are four candidates.

Don Schofield, an incumbent, is seeking another term. Cal Heath Jr., whose term also expires this spring, decided not to be a candidate. The other three candidates include a housewife, Mrs. Joyce Bluth. The

other two are Robert White, who is employed at the Ford Stamping Plant, E. Chicago Heights, who has previously served on the board, and Eddie Fields, employed by Wyman & Gordon at Harvey.

Three places are to be filled on the Arbury Hills board and there are three candidates running, Donald Murphy and Herbert J. Newmayer, incumbents, and Mrs. Gladys Payton.

Frankfort has two candidates for the two places to be filled on that grade school board. Both are incumbents, Kenneth Oetter and Dale Kratzberg.

At New Lenox Charles (Flip) Elliott and A. J.

Turner, both of whose terms expire this year, are seeking re-election.

The respective schools in the districts above will serve as polling places and will be open from 12 noon to 7 p.m. Only registered voters are eligible.

Two terms expire on the Lincoln-Way High School board and both incumbents are seeking re-election without opposition, Mrs. Beatrice T. Link, Lincoln

Estates, and Joseph Gregg, Manhattan.

High school uses the following polling places: Frankfort Grade School, Mokena Carpenter Street School; Ann Rutledge School; Haven School (New Lenox), Manhattan Grade School and Arbury Hills School.

Voting hours are the same as in the grade board elections and one must be registered in order to vote.

Scott St. Residents Discuss Annexation

Further discussion of annexation of Scott St. south of LaPorte Rd., to Mokena was had at the meeting of the village board last week.

The upshot of the matter is that residents who sign the annexation petition will each pay a \$10 tap on fee for the sewer. Those who do not take advantage of this would have to pay a tap-on fee of \$100.

Trustee George Bills is to inform the residents as to the estimated cost of extending the sewer to serve the area which is a block long and contains about five acres.

Bills suggested to the council that it appoint a committee for personnel relations to fix duties, hours of work, vacation schedules, hospitalization and term insurance for employees as is done in most industries.

The board designated 195th St. a one-way (west) thoroughfare on Sundays only from 6 a.m. to 1 p.m. because of traffic created by those attending services at St. Mary Church. The limits are from Wolf Rd. to 116th Av.

Walter Welsch and Robert Geuther were appointed co-chairmen of the village's industrial development committee.

Complaints were registered with the board relative to the appearance of the premises of a cement finishing firm on 191st St., east of the Rock Island tracks. Some old forms and material have been standing there for several weeks, it was reported. The village has no control over this property, it being outside the municipal limits. Complainants were told they might try the county.

Mokena Girl Struck By Car, Hospitalized

Condition of Marlene Stanger, 18, of 11031 Denny St., Mokena, a senior at Lincoln-Way High School was described as "fairly good" at Silver Cross Hospital Tuesday.

Miss Stanger was struck by an automobile as she was walking along the west side of Mokena St., about 40 feet south of the railroad crossing Monday afternoon. She had alighted from a school bus only a few minutes previously and was enroute home when she was hit.

Driver of the car, Mrs.

Bessie McCoy, 50, of LaPorte Rd., Mokena, stopped immediately but when she got out of the car it was to collapse and she too was taken to Silver Cross in the Frankfort Chapel ambulance.

Miss Stanger was cut and bruised about the face and head and also abrasions and bruises on a side of her body. She was knocked to one side by the impact. Police Officer Wayne Ryder was to issue a ticket to the motorist.

MOKENA LIONS recently voted a donation of \$100 to the Mokena Police Association to aid the members in purchasing equipment. Kenneth Heim, president of the Lions, is here presenting a check to Assistant Chief Harold Fitch. Fitch acted on the occasion because Chief Roy Newton is hospitalized. (Graphic Newspapers photo)

Winners In Elks Student Program Receive Awards

Winners of the "Most Valuable Student" and the "Youth Leadership" awards in the two contests sponsored by Joliet Elks Lodge No. 296 in cooperation with the Elks National Foundation, were

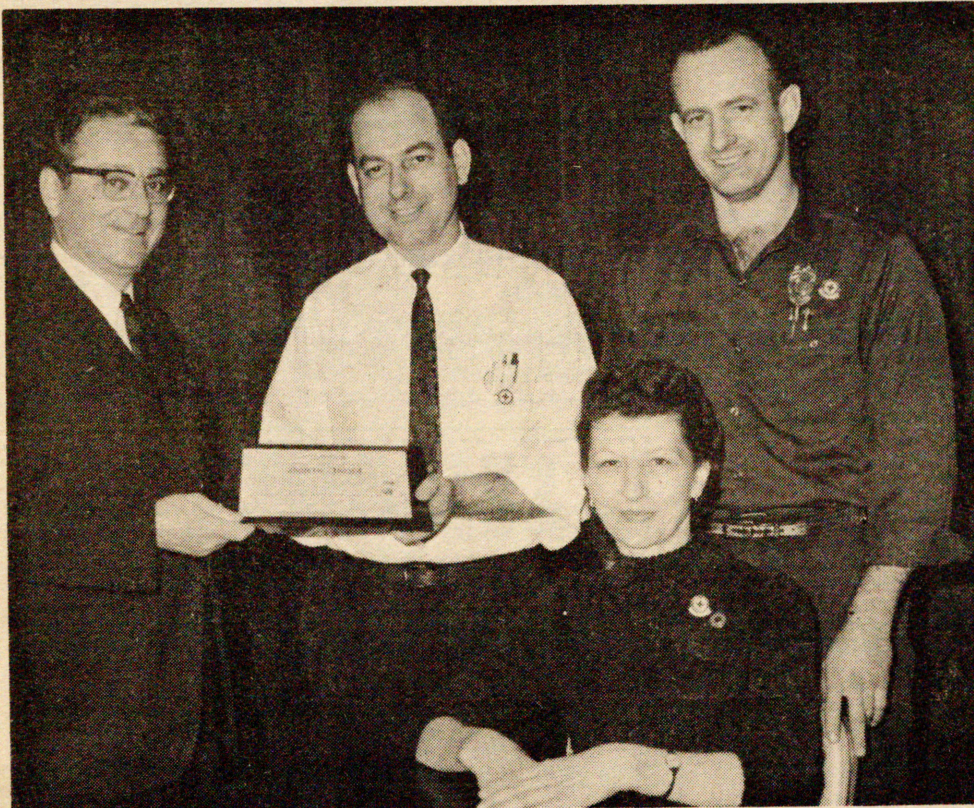

honored at a dinner in the Joliet Elks Club.

Exalted Ruler Donald Ribbing, of the Joliet Elks Lodge, presented each of the five winners with a \$25 Savings bond. The students were accompanied by their parents. Also in attendance were Mr. and Mrs. A. Hunter Chapman, and Mrs. Ribbing. Mr. Chapman, superintendent of Lincoln-Way High School was in charge of the program for the Joliet Lodge.

The local winners, selected by a committee made up of County Supt. Boyd Bucher, Louis Bottino, head of the department of education at Lewis College, and Martin Mackay, guidance director of Lincoln-Way district grade schools, are eligible for the state competition.

The "Youth Leadership" awards went to Martin Stanis, son of Mr. and Mrs. Albert Stanis, 10808 First St., Mokena, and Dorceta Karstensen, daughter of Mr. and Mrs. Harold Karstensen, Rt. 2, Beecher.

Winners of the "Most Valuable Student" awards were, Evelyn Kelly, daughter of Mr. and Mrs. Michael A. Kelly, 1307 E. Cass St., Joliet; Patricia Ann Wieringa, daughter of Mrs. Ethel Wieringa, 108 Pacific St., Frankfort, and Jacquelyn L. Tomberlin, daughter of Mr. and Mrs. John Tomberlin, 312 E. Corning, Peotone.

RICHARD SAMUELS, (left), vice president of Mobil Chemical Co. and general manager of the Plastics Division, is here presenting the Company's Safety Improvement Award for the Fourth Quarter of 1967 to members of Frankfort plant's safety committee. Accepting the award is George Farmer, production foreman and assistant safety director. The others are Marie Zwyac, secretary of the committee and Roy Robertson, plant fire chief. This is the first time that any of the Plastics Divisions's four foam plants has won a safety award. (Behne photo)

"No Grazing" Period Nears

Farmers were reminded today that the "no grazing" period for diverted acres under the 1968 feed grain program will start April 14th. It will continue for the following five months until Sept. 15.

Charles E. Deutschman, chairman, Will County Agricultural Stabilization and Conservation Committee, explains that farmers who are

diverting acreage under the program have agreed not to graze the diverted acres during a specific 5-month period of the growing season and not to harvest a crop from diverted acres at any time during the year.

Will County farms signed up to participate in the 1968 commodity diversion program for corn number 1,446.

Visual Communications At CSHS Are Reviewed

Carl Sandburg's Visual Communications experimental program was featured in a recent issue of "NEWS BRIEFS", published by the research coordinating unit of the board of vocational education at Springfield.

The report explained Sandburg's program in some detail. Next year will be the third year of the program and seniors will be placed on the job half-days in restaurants or food service establishments where they can market their skills in foods, printing, and business areas.

"Carl Sandburg High School has developed a program to give the non-college bound student knowledge and marketable skills related to business, food and graphic industries", the article says in part. "The core of the program is based on the visual communication concept. In the program, the students are helped to perceive a correlation between their classroom learnings and on-the-job experience. The program functions in three phases.

"In Phase I the students spend a varied amount of time in each of the participating departments, of the program. Occupational exposure is extensive with field trips, speakers, films, etc. playing a major part. Pre-test and post-test as well as individual counseling are part of this phase. Students spend one hour a day in regular programs of math, English, science and history. During this phase students study menu designing, preparation of ditto and mimeograph plates, and the operation of ditto and mimeograph machines.

"In Phase II the students spend two hours a day in the visual communication class. More depth into both material and experience plus added integration of other school curricula characterizes this phase. Evaluation is more extensive and includes parent - teacher - pupil conferences and home visitation. During this phase, students have an opportunity to implement the concepts and

skills learned in Phase I by operating a student restaurant.

"The students also gain job experience working two hours a day for one week assisting the vocational counselor in performing simple business procedures such as filing, sorting mail, typing, and operating the ditto and multilith machines for the bookstore manager. During these experiences, the students are rated and graded as if they are experiencing normal employment. These experiences, plus the operation of the student restaurant, provide preparation for Phase III which involves on-the-job training.

In Phase III, students capable of on-the-job training enter the co-op program.

New Insurance Representative

John L. Druhan, Jr., Tinley Park, has been appointed representative in the South Cook County area for Sentry Insurance of Stevens Point, Wis. The appointment was announced today by Bill Kaericher, Sentry's sales manager in this territory.

Druhan will be working with Sentry Insurance's veteran salesmen Bernie Tessitore and Bill Thorpe in this area.

Prior to this appointment, Druhan concluded advanced training in Sentry's Home Office, during which time he studied insurance analysis, contracts and sales methods in both commercial and personal lines.

John is married and the father of five children. He is an officer of the Knights of Columbus and a member of the Tinley Park Industrial Commission.

Students not capable or ready for on-the-job training gain job experience through employment available in the school. These students will continue to participate in the regular visual communications program. Mrs. Pat Cote is Project Director."

FORREST TUCKER, (center) star of the play "A Thousand Clowns" at Drury Lane Playhouse, will be the scene of the Sandburg PTA theatre party, Tuesday, April 23. Proceeds will go to the scholarship fund.

Pictured with Mr. Tucker are PTA president Mrs. Clyde Vasconcellos, and Charles Moore, PTA faculty representative. Tickets may be obtained by contacting the program chairman, Mrs. T. Pnizek, 448-2629.

Completes Training

Seaman Apprentice Paul J. Settlemeyer, USNR, 20, son of Mr. and Mrs. Kenneth Settlemeyer of 7900 Forest View Road, Orland Park, has been graduated from nine weeks of Navy basic training at the Naval Training Center at Great Lakes.

Open Letter from the HIRSCHS'

Dear friends,

On this glorious Easter - these eternal words of St. Francis:

Lord, make us instruments of Thy peace;
Where there is hatred, let me sow love;
Where there is injury, pardon;
Where there is doubt, faith;
Where there is despair, hope;
Where there is sadness, joy;

Grant that we may not seek so much to be consoled, as to console; To be understood, as to understand.

To be loved, as to love.

Sincerely, *Carl H. Hirsch*

Pick Cast For Spring Play at Sandburg High

BY MARY HALBACH

Rehearsals for "David and Lisa," a play whose setting is a home for emotionally disturbed youth, are underway at Carl Sandburg High School. The play will be given April 25, 26, and 27.

Playing the lead parts of two disturbed teens, David and Lisa, are junior Ryan Armbruster and sophomore Andrea Ellis. David is a paranoic and Lisa is a schizophrenic who are both attending Berkley school for exceptional teens. Eventually, they find help in each other.

The role is especially meaningful to Andrea, who said, "I've been a bug on psychology for a couple of years." She said that her interest in psychology was her reason for auditioning for the part. About winning a title role, she said, "The first sensation you get is

"It's great!" "She added that soon one realizes that much time and effort will be required.

"I just don't believe it," said Ryan. He said that he tried out for the play due to "pressure from other guys." Having no theatrical experience, he hoped to get a bit part. Ryan is on the Carl Sandburg track team so he runs from track practice in the afternoons, home for a quick supper, and back for 4-night-a-week play rehearsals with director Donald Steinhardt and the rest of the cast.

Other cast members are senior Chuck Jaeger who is cast as Dr. Swinford, head psychiatrist at Berkley. His co-worker is Maureen Kurt, played by senior Christine West.

Seniors Lynn DeBacher and Bob Hedeon are playing

David's parents. Josette and Simon, two of David's classmates, are seniors Paula Ferrin and John Heintz. Two more problem teens, Sandra and Kate, are juniors Lynn Kunde and Karin Polson. Sophomore Rick Skrobin will characterize Carlos, a boy who prides himself on his conquests.

Senior Larry Connolly is acting as Ben, the housefather. Barbara, an English teacher, and John, Lisa's psychiatrist and friend, are being played by juniors Martha Gay and David Lyons. Freshman Tony Suizzo is Robert, another Berkley student.

Junior Mary Halbach is cast as Mrs. Ferris, housekeeper, while junior Sue Butera is portraying Dr. Swinford's secretary. Junior Kathy Ganch and sophomore Sue Norton are playing a mother and her young daughter. Juniors Bill Bartolotta and Alan Danis are two boys.

Senior Citizens Plan Program

The 24 senior citizens clubs and retirement groups in Will County will sponsor a senior citizens sesqui-centennial celebration at Riverside Senior Services Center, Joliet, on May 17th to 19th. It will be at the same time as the Senior Citizens Hob-

by Show but will be in a tent next to the building. The Salvation Army is loaning the tent for the occasion.

Representatives of 12 of the Will County senior groups met together for the first time on Friday, March 22 at Riverside Senior Services Center. They voted unanimously to sponsor the sesqui-centennial. They will set up booths, supply them with relics and antiques and craftwork and man the booths during the event. Many of those involved will no doubt wear old-fashioned dresses.

The Will County Historical Society and the Mokena Woman's Club have offered their cooperation and assistance. Several welfare organizations will be asked to have representatives there. Of special interest will be a medicare information desk.

May is Senior Citizens Month. The Will County Community Service Organizations initiated local observance of the month six years ago. It expects to ask the mayors of all Will County towns to proclaim the month of May as Senior Citizens Month following the proclamation of the President and the governor. Harold Whiteside, chairman of the Council's senior citizens committee, has taken responsibility for coordinating all of the Senior Citizens Month activities. His telephone number is 723-9713.

Catherine Ann Rucker Weds William Jeffers

Mokena is the home of Mr. and Mrs. William Jeffery Jeffers, recently united in marriage during an early evening wedding ceremony in Calvary Baptist Church, Lincoln Estates, Frankfort.

The bride is the former Catherine Ann Rucker, daughter of Mr. and Mrs. Bobby L. Rucker, Davis Ave., Richton Park. Mr. and Mrs. Birch Jeffers of Mokena are the parents of the bridegroom.

The Rev. Charles H. Blackwell officiated at the candlelight double ring ceremony. Two candelabra illuminated the church and the bride stood under a white arch entwined with vines and flowers as her parents presented her in marriage.

She was attired in a bouffant gown of silk organza and chantilly lace, styled with a natural waistline, sabrina neck embroidered with sequins, long tapered sleeves and a cathedral length train. The brides full veil of Eng-

lish illusion fell from a jeweled headpiece of lace leaves trimmed with crystals and seed pearls, and her bouquet was a cluster of orchidaceae.

Mrs. Ginger Reickert was matron of honor for the bride, who was also served by Miss Barbra Ball, Miss LaDonna Vaughn and her sister, Miss Debra Rucker, as bridesmaids. All wore empire style gowns in Nile green and apricot linen designed with scoop necklines and full cap sleeves of Venise lace. Watteau trains in the same linen were secured by obi bows to the backs of the attendants semi A-line skirts.

Each attendant wore as her head piece an illusion veil attached to a linen dior bow and each carried a bouquet of carnations tinted to match her gown.

The bridegroom asked Dan Torrence to attend him as best man and was also served by David Jeffers, Dave

Stellwagen and Frank Hetchell, ushers.

Mrs. Jeanette Rydell, organist accompanied Miss Karen Olsen who sang "The Lord's Prayer" and "Because".

For her daughters wedding, the bride's mother chose a three piece canary yellow costume with white accessories.

For her sons wedding, the groom's mother wore an orchid suit with pink accessories.

Immediately following the wedding, a reception followed in the church parlors. The couple left immediately for a wedding trip to the Wagon Wheel resort, Rockford, Ill.

The bride is a graduate of Lincoln-Way High School and is employed as a bookkeeper by the Matteson-Richton Park State bank.

The groom is a graduate of Lincoln-Way and is now a carpenters apprentice while attending Joliet College at night.

MR. AND MRS. WILLIAM JEFFERS

Orland Fire Department Has 8 Runs

Orland Park made eight runs in the past week besides filling in for Oak Lawn.

Several grass fires were extinguished, one at 144th and 94th Av.; one at 146th and U.S. 45, and six fires along the railroad tracks last Saturday. It was said that defective car wheels made sparks that set off the fires. There was a car fire at 142d and SW Highway April 1.

Three inhalator calls were made. On April 2 Geraldine Buckley, 27, of 10232 Hilltop, was taken to St. James Hospital; on April 4, James Queen, 16-months old, 16810 90th Av., was taken to Christ Community Hospital, Oak Lawn and on April 5 Mrs. Madge King, 42, of 15016 Have, was taken to St. Francis Hospital, Blue Island.

Fire men administered first aid to 3-year-old Raymond Przybylski, of 14439 Beacon St. April 3. The child cut his forehead in a fall.

Tennis Tournaments

A tennis program that will be designed to fit all age groups, is under consideration now by the Mokena Park Board.

Tournaments will be staged and prizes will be provided for winners by the park district, according to current plans.

A summer recreation program at the park for the small fry of the district, an annual event, also will be arranged.

Oat Rates Unchanged

County price - support rates for 1968-crop oats, unchanged from those in effect for 1967, were announced by the U.S. Department of Agriculture. All are based on a national average support price of 63 cents per bushel for 1968-crop oats, announced.

The Great Escape Sweepstakes.

Win a free self-cleaning electric range and get away from oven-cleaning. Forever. 120 winners in all. Enter now.

Oven-cleaning day. If it makes you feel like a prisoner in your own kitchen, you're ready for The Great Escape.

The Great Escape Sweepstakes is for people who hate to clean ovens. Eight drawings will be held. The prizes: 15 electric ranges with self-cleaning ovens to be given away at each drawing. 120 ranges in all, chosen from the following brands: Frigidaire, General Electric, Hotpoint, Kelvinator, Kenmore, Philco, Signature, and Westinghouse.

And if you don't win a new self-cleaning range—buy one. Because, during the Sweepstakes, any new electric range sold (self-cleaning or not) may come with our Escape Kit: free wiring installation. Which could save you \$100 or more. (And if a winner has already bought a new electric range during the Sweepstakes, we'll refund his full purchase price in place of the regular prize, if he prefers.)

So go ahead. Make The Great Escape today. And stop being tied to the rack.

GREAT ESCAPE SWEEPSTAKES is open, April 1—May 31, 1968, to all residents of the area served directly by Commonwealth Edison. Entries must be made on official entry blanks available at participating dealers. **NO PURCHASE NECESSARY.**

FREE WIRING INSTALLATION applies, for a limited time only, to a standard wiring installation for a new electric range in single-family dwellings served by Commonwealth Edison.

Only electric ranges have self-cleaning ovens.

The bright new ideas are Electric.
